

8. SERVICE UPDATE - NETS, LAND AND COUNTRYSIDE

The committee considered a report (copies of which had been circulated) by the Head of Operational Services appraising members of the Nets, Land and Countryside services activities in the ward for the period 1 August to 31 October 2018.

The report provided a summary of works carried out and enquiries received in relation to Grounds Maintenance, Garden Maintenance, Cleaner Communities (including Enforcement Community Action), Parks & Woodland and Open Space & Cemeteries.

A number of enquiries were then raised by committee members. The Cleaner Communities Manager undertook to pass on the committee's concerns about bins overflowing at the entrance to Mansefield, East Calder, which required to be emptied. He would also pass on reports of fly tipping at St Paul's Primary School in East Calder to the relevant officers to investigate.

The report recommended that the committee:

1. Note the work carried out by the service within the local area; and
2. Advise on any areas that require further information or investigation.

DECISION

- To note the contents of the report.
- To agree that the Cleaner Communities Manager would pass on the concerns raised by the committee to the relevant officers to investigate.
