

4. COMMUNITY SAFETY PERFORMANCE

The Board considered a report (copies of which had been circulated) providing information on a range of statistics across a range of initiatives and across partner organisations.

Yvonne Beresford, the council's Policy and Performance Manager provided the board with an overview of the performance indicators and proceeded to highlight significant issues in some of the indicators.

It was noted that some of the indicators relating to NHS had not been updated; this was due in part to NHS having changed the manner in which the data was collected. However contact had been made with NHS Lothian with a view to having these figures updated in the near future.

The Board were also advised that in relation to indicator cssp2ASBHC02 (Publicity to raise the profile of Hate Crime's and Incidents) this had not been updated as whilst work in this area continued data on the subject matter was no longer being collected due to changes to service delivery which in turn had had an impact on availability of personnel.

The Chair then invited Tim Ward, Senior Manager, Children and Families comment on those statistics pertaining to social work.

The Board were asked to note the content of the performance report.

Decision

1. To note the content of the performance report;
2. To note the work being done to populate those indicators pertaining to NHS; and
3. To agree that with regards to the recording Hate Crimes and Incidents officers were to review the collation of data in this area.
