

6. SERVICE UPDATE - NETS, LAND AND COUNTRYSIDE

The committee considered a report (copies of which had been circulated) by the Head of Operational Services providing an update on the recent activity of the NETS, Land and Countryside Services teams for the period 1 August to 31 October 2018 and highlighting future works planned for the locality.

The report provided an overview of the works that had been carried out on grounds maintenance, garden maintenance and cleaner communities' routine operations. An overview was also provided on the various environmental community activities that had been carried out by the enforcement officers, together with information on the work they had carried out on behalf of other council services and partnership agencies.

The report concluded with information on Parks and Woodland enquiries and the routine works carried out by the Open Space and Cemeteries teams.

The committee was invited to note the contents of the report.
