

7. SERVICE UPDATE - NETS, LAND AND COUNTRYSIDE

The committee considered a report (copies of which had been circulated) by the Head of Operational Services providing an update on the recent activity of the NETS, Land and Countryside Services teams for the period 1<sup>st</sup> August 2018 to 31<sup>st</sup> October 2018 and highlighting future works planned for the locality. The outcome of the most recent Land Audit Management System inspection in the West area was in line with the target score.

The report then provided an overview of the routine works and enquiries that had been carried out by the grounds maintenance and cleaner communities' and garden maintenance teams and provided information on the grounds maintenance enquiries received during the reporting period against the same period in 2017.

The report then moved on to provide members with an overview routine works and enquiries dealt with by the cleaner communities team before moving on to provide an overview of the various community enforcement action activities that had been undertaken. It continued with information on park and woodland and open space and cemeteries routine works along with statistical information for the same period in 2017.

Arising from discussion, officers agreed to explore the feasibility of placing No Dog Signs in distinct play park areas across the ward.

The committee was invited to note the content of the report.

Decision

To note the terms of the report.
