7. WEST LOTHIAN DRUG AND ALCOHOL PARTNERSHIP UPDATE

The panel considered a report (copies of which had been circulated) by the Depute Chief Executive which provided information on West Lothian Alcohol and Drug Partnership activity.

It was recommended that the panel note the content of the report.

The panel asked about the Harm Reduction Service, particularly regarding recovery, and was informed that the service had not yet been fully implemented. Following its implementation, an analysis of the number of supported individuals and those actively engaging with the Service would be provided.
