##### **B RECOMMENDATION**

To note the progress of the consultation on the draft the Strategic Plan.

##### **C TERMS OF REPORT**

The Public Bodies (Joint Working) (Scotland) Act was granted royal assent on April 1, 2014. The legislation will establish local partnerships under the governance of an Integration Joint Board which will be jointly accountable to Ministers, Local Authorities, NHS Board Chairs and the public for:

- Nationally agreed outcomes, which will apply across health and social care, and for which NHS Boards and Local Authorities will be held jointly accountable
- A requirement on NHS Boards and Local Authorities to integrate health and social care budgets
- A requirement on Partnerships to strengthen the role of clinicians and care professionals, along with the third and independent sectors, in the planning and delivery of services

As set out in the regulations to the Act, the Integration Joint Board must establish a strategic planning group, which will be involved throughout the process of developing, consulting on and finalising a strategic plan.

The development of the strategic plan must be clear about the national and local outcomes to be delivered and must include the formal establishment of locality arrangements for the partnership area. These arrangements will draw together professionals, staff, the third and independent sectors, carers and service users to lead the planning and delivery of services for their local community, based on their experience and knowledge of local needs, and feed this detail into the strategic plan.

A draft Strategic Plan was prepared in conjunction with the Strategic Planning Group and presented to the IJB at its meeting of 20 October 2015. The IJB agreed that consultation could thereafter commence in respect of the draft plan.

Consultation is being carried out between 13 November and 31 December 2015. The consultation includes a wide range of stakeholders as well as users of the services commissioned by the Integration Joint Board. Copies of the draft plan have been distributed at a range of locations throughout West Lothian and the plan is also be available online with an online feedback facility at [www.westlothianhcp.org.uk/spconsultation](http://www.westlothianhcp.org.uk/spconsultation)
