13. NETS AND LAND SERVICES UPDATE 1ST MAY 2009 – 31ST AUGUST 2009

A report had been circulated by the Head of Operational Services, which advised the members of the recent activity of the Nets and Land Services Team and to highlighted future works planned for the locality.

The report summarised activity in the areas of grounds maintenance, nets and street cleansing and included details of the enforcement action that had been carried out by Environmental Wardens.

It was also noted that Environmental Wardens had recently attended the Linlithgow Fun Dog Show.

It was further proposed that Nets and Land Services would continue to work with the Town Centre Management Group and with its partners in the community.

Decision

To note the terms of the report.
