11. APPLICATION NO.0700/H/09

The Committee considered a report (copies of which had been circulated) by the Development Management Manager concerning an application as follows :-

Application No.	Proposal	Recommendation
0700/H/09	First floor extension to house and increasing the height of the roof to form additional accommodation at 28 Castle Road, Bathgate.	Grant planning permission subject to conditions.

The Committee then heard Neil Plenderleith and Alan Slater advise that a number of neighbours to the application site had wished to address committee but had been incorrectly notified of the date by which they had to submit their request to speak and had subsequently missed the submission deadline.

Decision

To continue the application for one cycle to allow the neighbours to the application site to be re-notified of the application being placed before committee and thereby affording them the opportunity to address committee.
