There were 44 Mainstream properties re let within Q3 and 6 Temporary tenancies let within Q3.

Delays in re-letting can occur for a variety of reasons. The type or location of the property, the completion of void work or the identification of additional works not visible during the initial Inspection and time taken ensuring that vulnerable persons are supported through the viewing and Sign up process. Some of our applicants have specific support requirements which require detailed planning and co-ordination by both social work and housing services prior to tenancy commencement.

In the year to date there have been 20 mainstream tenancies and 11 temporary tenancies let by the Livingston South Team. There are currently 5 Policy Voids in the ward. Reasons include properties unable to let due Health & Safety reasons, being held for decant purposes due to remedial works.

The West Lothian overall position has increased by £879,735 from last year and on 01 October was £2,698,513

While there are 49 serious arrears cases (£1,000+) it should be noted 63% of cases are in the lower bands (£300 or less)

The overall increased arrears in comparison to last year are as a result of Full Service Universal Credit being introduced in West Lothian from May 2018, along with other Welfare Benefit reforms and the current economic climate

During the course of this year we plan to focus on the following:

- Making best use of resources by considering communicating more with customers through email and telephone.
- Increase Direct Debit Take Up by targeted work for example tenants who currently pay by Standing Order.
- Benchmarking with other local authorities to ensure we identify and consider implementing any best practice.
- Performance Monitoring and Reporting will be reviewed and where appropriate streamlined to ensure information is meaningful and robust to assist with improving rent arrears due.
- Promote Alternative payment methods, particularly the Tenant's Self Service Portal.
- Undertake a root and branch review of our arrears process to ensure we maximise rental income

### **Livingston South Team Activity**

Rent arrears activity continues to be a weekly priority task for the team and will continue to work with all our tenants in offering support, advice and assistance. Such assistance includes referrals for money, energy and debt advice, benefit health checks, completion of income and expenditure to help set up a sustainable payment plan and where appropriate, assist with applications for Discretionary Housing Payments.

Officers in the team have a number of tenancies under supervision for issues such as child protection, antisocial behaviour and poor tenancy conditions. Our officers' work with a range of services and agencies to ensure tenants and residents are fully supported, tenancies maintained and sustained as far as possible and appropriate action taken where necessary.

#### Safer Neighbourhood Team.

The Safer Neighbourhood Teams (SNT's) continue to work in two teams across the nine multi member ward areas as an integral part of the Community Safety Unit. In all the wards, partnership working involves the local housing team, youth worker, council officer with the SNT and officers from Police Scotland and the Scotlish Fire and Rescue Service all working together to tackle antisocial behaviour. When necessary, the partners will liaise with partners from the voluntary organisations including Mental Health advisory workers and private landlords in order to reduce antisocial behaviour. The Safer Neighbourhood team of 9 officers now work in two zones, the East and the West zones. All the officers now deal with noise nuisance calls as part of their working remit.

Issues from previous month in relation to HMO are continuing to be followed up on and work done with landlords to achieve resolution.

Ongoing ASBO case against an address in Dedridge was continued for 2 months.

Joint initiative was carried out with local police officers regarding youth disorder in Dedridge and with housing officers to addresses concerning tenants with mental health issues. Furthermore, contact made with Almond Housing Association regarding issues with one of their tenants.

Various court cases are coming to an end resulting in an area being visited regularly to maintain a presence.

An increase in tensions in an area in Ladywell was reported regarding an increase in youth disorder. Regular updates from residents should assist in resolving all the issues.

Complaints received regarding a party which had got out of control in Dedridge where property was damaged and an ASB warning was served. For another address, at a court hearing regarding an address in Dedridge, an interim ASBO was continued until March 2019 regarding incidents of noise.

During ASB enquiries, information has been gleaned in relation to other incidents that have been referred to the social work department for them to carry out their own enquiries and issues arising from private lets and HMO have been carried out and follow up work was being undertaken where landlords were encouraged to register and submit appropriate applications.
