

7. APPLICATION NO.1221/FUL/18

Councillor Tom Kerr, having previously declared an interest, took no part in the following item of business.

The committee considered a report (copies of which had been circulated) by the Head of Planning, Economic Development and Regeneration concerning an application as follows :-

<u>Application No.</u>	<u>Proposal</u>	<u>Recommendation</u>
1221/FUL/18	Construction of a re-aligned footpath and erection of a stock proof fence with associated engineering and landscape works at land at Lady Park, Linlithgow	Grant planning permission subject to conditions

The committee then heard Mr Tom Costley, Mrs Mary Easson and Mr Jamie Smart, all speak in support of their objections to the application.

Decision

To continue the application for two cycles to allow for further consultation with the local community to take place and to ensure attendance at the committee by an officer from Nets, Land and Countryside Service to deal with all technical aspects of the proposal.
