

5. FIRE SERVICE WARD REPORT

The committee considered a report (copies of which had been circulated) by the Scottish Fire and Rescue Service providing an update on the activity within the ward for the period up to 30 September 2019.

Attached to the report were a series of graphs showing activity across a number of priorities and included comparisons with previous years.

The committee noted that bonfire night and the days around 5 November had to all intense and purposes gone well, from a community point of view, with few incidents of note. The Fire Officer agreed that the planning between partners and stakeholders beforehand had proven to be successful overall.

The committee was invited to note and provide comments on the Broxburn, Winchburgh and Uphall Multi-member Ward Performance Report.

Decision
