

LEADERSHIP DEVELOPMENT

The panel considered a report (copies of which had been circulated) by the Head of Education (Curriculum, Quality Improvement and Performance) informing members of the council's approaches to School Leadership Development and national requirements for the appointment of new head teachers from August 2020.

It was recommended that the panel note:

1. The commitment to developing sustainable school leadership through a strategic model of local and national high-quality professional learning.
2. From August 2020 the national requirement that any teacher appointed to their first permanent head teacher post must have been awarded the Standard for Headship.

Decision

To note the contents of the report.
