

3. POLICE WARD REPORT

The Committee considered a report (copies of which had been circulated) by PCs Peter Robertson and Andrew Murray which provided an update on performance, activities and issues across the ward for the period November 2019 to January 2020. The report was presented by Sergeant Wells.

Sergeant Wells explained that ward performance figures continued to be unavailable in reports as there was no partnership analyst in post. The Lead Officer assured members that dialogue was ongoing with Superintendent MacInnes regarding the difficulties being experienced within Police Scotland to recruit analysts nationally and assured members that the council was keen to sign a new contract for an analyst at the earliest opportunity.

The Committee was invited to note the report.

Decision
