

6. STATUTORY GUIDANCE ON DIRECTIONS FROM INTEGRATION AUTHORITIES TO HEALTH BOARD AND LOCAL AUTHORITIES

The committee considered a report (copies of which had been circulated) by the Chief Officer advising of the Integration Joint Board's compliance with Scottish Government Guidance on Directions.

It was recommended that committee :-

1. Note that the Scottish Government issued its Statutory Guidance on Directions from Integration Authorities to Health Boards and Local Authorities on 27 January 2020;
2. Note that a review of the Board's procedures in relation to Directions had been conducted and that the Board was compliant with the statutory guidance with the exception of one key action for implementation; and
3. Agree to recommend to the Board that the existing log of Directions be periodically reported to the IJB as part of the performance management reporting cycle.

Decision

1. To note the terms of the report; and
2. To agree to recommend to the IJB that the existing log of Directions be reported to the IJB twice a year as part of the performance report.
