

7. STRATEGIC RISKS

The committee considered a report (copies of which had been circulated) by the Head of Finance and Property Services advising of the council's strategic risks.

The report recommended that the committee note the council's strategic risks.

It was noted during discussion that the committee requested more detailed information in relation to most relevant strategic risks and in particular WLC023 (failure to deliver council's finance plan) and risk WLC031 (West Lothian Leisure – failure to deliver financial plan).

Decision

1. To note the contents of the report.
2. To agree that the next report provide more detailed information on risk WLC023 (failure to delivery council's finance plan) and on risk WLC031 (West Lothian Leisure – failure to deliver financial plan).
