The committee considered a report (copies of which had been circulated) by the Head of Planning, Economic Development and Regeneration which provided an update in respect of locality planning in the ward.

It was recommended that committee note :-

2. The progress of the two local regeneration plans;
3. The progress and development of actions emerging from the plans; and
4. The updated position in relation to the Town Centre Fund projects for 2019/20 and 2020/21

Decision

1. To note the content of the report; and
2. To record a note of thanks to the Community Regeneration Officer, Lesley Keirnan for progressing the town centre fund projects, noting that a detailed update on the subject matter would be brought back to the next committee meeting.
