

BASELINE DATA FOR PRIMARY CARE PERFORMANCE INDICATORS

The Board considered a report (copies of which had been circulated) by the Clinical Director, West Lothian HSCP providing an update on capturing Baseline data for Primary Care Performance Indicators.

It was recommended that the Board:

1. Note the contents of the report; and
2. Confirm that the reporting format met the Board's requirements.

During discussion, it was agreed that the report should show trends, public perceptions of accessibility and service level in West Lothian GPs, and include narrative information in future iterations.

Decision

To approve the terms of the report subject to the report being further enhanced to show trends, public perceptions of accessibility and service level in West Lothian GPs, including narrative information in future iterations.
