

8. ARRANGEMENTS FOR HYBRID COUNCIL MEETINGS

The Council Executive considered a report (copies of which had been circulated) by the Head of Corporate Services providing an update on progress of arrangements for implementation of hybrid council and committee meetings in the council chamber and to advise of a delay in implementation of the replacement audio visual system due to global shortages of IT equipment.

It was recommended that Council Executive note the terms of the report, agree an interim continuation of meetings by remote access until 28 February 2022, and agree that a further report be brought to Council Executive on 22 February 2022 to determine when hybrid meetings will commence.
