

15. ADULT DISABILITY PAYMENT

The Council Executive considered a report (copies of which had been circulated) by Head of Finance and Property Services providing an update on recurring £134,000 Scottish Government funding to support the delivery of Adult Disability Payments (ADP) within West Lothian which was administered by Social Security Scotland

It was recommended that Council Executive :-

1. Notes the roll out of the Adult Disability Payment; and
2. Approves the proposed utilisation of the recurring £134,000 funding to recruit additional staff to collate all requests made to West Lothian Council for additional evidence to support a customer's application for an Adult Disability Payment to Social Security Scotland
