

## OLDER PEOPLE DAY CARE PROVISION

The IJB considered a report (copies of which had been circulated) by the Senior Manager, Older People informing members of the Older People Day Care provision, including current contract performance and proposed future contractual arrangements to achieve Best Value.

It was recommended that the IJB:

1. Note the contents of the report and reduced uptake of available commissioned placements at Older People Day Centres; and
2. Note proposed contractual arrangements for Older People Day Centre provision.

Eligibility criteria for day care services in relation to a changing demographic was then discussed. Despite the reduction in referrals, officers assured members that any referrals received were being progressed without delays. Further alignment of contractual arrangements with the revised Strategic Plan would be considered in due course.

### Decision

To note the terms of the report.
