

7. SPACES FOR PEOPLE CONSULTATION

The committee considered a report (copies of which had been circulated) by Head of Operational Services consulting with members in accordance with the amendment approved by Council on 22 November 2022. The approved amendment provided an opportunity for the committee to provide feedback on whether the council's remaining temporary Spaces for People measures should be permanently retained or removed.

It was recommended that the committee:

1. Notes the contents of the report and provides any appropriate feedback on the remaining temporary Spaces for People measures contained within the report; and
2. Notes that officers would report back to a future meeting of the Environment and Sustainability PDSP with any feedback received.

Decision

To note the terms of the report.
