

19. ENHANCED COLLABORATIVE CLINICAL AND CARE SUPPORT FOR CARE HOMES

The Council Executive considered a report (copies of which had been circulated) by the Head of Social Policy/Chief Social Work Officer confirming the expiry of powers to intervene in care provisions, as set out by the Coronavirus (Extension and Expiry) (Scotland) Act 2021. The report also updated on revised arrangements for Enhanced Collaborative Clinical and Care Support for Care Homes.

It was recommended that the Council Executive:

1. note the work of the Collaborative Care Home Support Team for West Lothian;
2. note that officers continued to work in partnership with all care providers providing support and seeking assurance regarding care quality; and
3. agree that reporting to the Council Executive on the work of the Care Home Clinical and Care Professional Oversight Group would cease.
