

7. COMMUNITY REGENERATION UPDATE

The committee considered a report (copies of which had been circulated) by the Depute Chief Executive, Education, Planning and Economic Development updating on the Community Wealth Building Team and its partners activity within the Whitburn and Blackburn ward.

During the report's presentation, the Community Regeneration Officer advised that although it had stated the next meeting of the Whitburn Services Group was on 8 June 2023, it was due to take place on 6 June 2023.

It was recommended that the committee note the updates on:-

1. regeneration activity in both Blackburn and Whitburn;
2. Whitburn town centre matters including the planned heritage trail for the town;
3. Acces2employment support being provided within the ward; and
4. the support that Business Gateway were providing.

Decision

1. To note the contents of the report; and
2. To note the date of the next meeting of the Whitburn Services Group was 6 June 2023 rather than 8 June 2023 as detailed within the report.
