D. TERMS OF REPORT

1 Background

- 1.1 The council is required to agree a timetable of meetings for the council, its committees and working groups that meet according to a regular timetable. In accordance with a recommendation by Internal Audit, and recent practice, a timetable of meetings for the next year is produced for consideration and approval. It has followed past practice so far as practicable in the general pattern and frequency of meetings of bodies in the council's decision-making structure. To assist members, the same information found in Appendix 1 is presented in an alternative format in Appendix 2. Subject to a small number of exceptions in Standing Orders, meetings will continue to be convened on a hybrid basis from the council chamber.
- 1.2 Additionally, meetings have been arranged in accordance with a decision taken by council on 26 September 2017 which concerned Family Friendly Working Arrangements and 7 November 2017 which concerned resulting Changes to Standing Orders. Meeting arrangements have been proposed that meet the requirements of Standing Orders. Except where required for

regulatory committees the main school holiday periods have been avoided and meetings do not start before 9.30 am or after 3.00 pm.

- 1.3 Meetings fixed by some other bodies, for instance, the Licensing Board, West Lothian Integration Joint Board, St John's Hospital Stakeholder Group, Community Planning Partnership Board and Community Safety Board are set independently and they have been shown in Appendix 1, where known, for information purposes only.

2 Particular meeting arrangements

- 2.1 In general, meetings of council and its committees have been arranged on the same pattern as before and in accordance with specific rules in the Scheme of Administration.
- 2.2 Under the council's Scheme of Administration, meetings of Policy Development and Scrutiny Panels are to be fixed by the Clerk in consultation with the Chairs and Lead Officers. Those arrangements have been completed with both the Chair and Lead Officer having been consulted on and agreed the proposed dates for Policy Development Scrutiny Panels. They may be subject to change from time to time.
- 2.3 Local Area Committees are required to agree each year a schedule of regular meetings for the succeeding twelve months to be submitted to the Council Executive for approval. Most of these proposed dates have been agreed by the LACs, but some remain outstanding, and provisional dates are included for those bodies in the appendices.
- 2.4 It is recommended that authority is delegated to the Chief Executive to make any changes required for Local Area Committees and to incorporate those details in the timetable in the appendices.

3 Training Days

- 3.1 As has been recent practice, a number of dates have also been identified for the purpose of elected member training. These are proposed as follows:-
- Wednesday 3 September 2025 at 10am
 - Monday 24 November 2025 at 10am
 - Monday 26 January 2026 at 10am; and
 - Wednesday 20 May 2026 at 10am
- 3.2 Identifying and setting aside these dates for training and member development will assist in the planning and delivery of training. In case changed circumstances require a training day to be rearranged, authority is sought to allow the Chief Executive to change the dates where required. Additional *ad hoc* sessions will continue to be arranged as appropriate.

E. CONCLUSION

Setting dates and times for meetings of full council, committees and other bodies will ensure compliance with the Code of Corporate Governance and Internal Audit's recommendations, and will assist in the forward planning of

council business.
