

6. BEST VALUE 2: PROPOSALS FOR CONSULTATION - REPORT BY CHIEF EXECUTIVE

The Council Executive considered a report (copies of which had been circulated) by the Chief Executive advising that the Accounts Commission was currently developing its proposals for the second phase of audits of Best Value and Community Planning (BV2). The Council had been asked to comment in a consultation document on the matter. The feedback received on the consultation document would be used to help shape the development of BV2, which would be tested at a number of BV2 pathfinder audits with scrutiny partners later in the year.

The Council Executive was invited to consider the proposed response, which was attached at Appendix 2 to the report, and to agree that it be submitted to the Accounts Commission.

Decision
