

14. UPDATED COVID-19 RECOVERY AND RENEWAL PLAN

The Council Executive considered a report (copies of which had been circulated) by the Depute Chief Executive providing the revised Covid-19 recovery and renewal plans, which had been reviewed and updated to take account of the latest guidance and indicative timescales published by the Scottish Government around the gradual lifting of Covid-19 lockdown restrictions

It was recommended that the Council Executive:

1. Note the updated council wide Covid-19 Recovery and Renewal Plan, as set out in Appendix 1 of the report;
2. Note that proposed options for the allocation of flexible Covid-19 resources would be presented to the Council Executive in a separate report by the Head of Finance and Property Services; and
3. Agree that a further update report would be provided to Council Executive post the summer recess.

Decision
